## Our respect and appreciation for our

**farmers** runs deep and we hope we play a part in your success. Not only do we serve the community, but our growth and stability makes our region stronger and enhances the value of your land. We want to support you and hope that you'll consider helping us, too.

At this time, **we seek financial gifts** to support the growth of our services, such as:

The expansion of our **LINKS Program**, our **facilities**, our **residential program** and the implementation of **community-based employment services**.

Through an arrangement with local COOP, we've established a way for you to **share a small portion of your harvest** with the CWI Foundation. By donating bushels of grain through a tax-advantaged gift, you provide us the resources needed to continue and enhance our services for those with disabilities.

## Here's How it Works...

When your commodity is delivered to your chosen COOP, please request that the bushels you wish to contribute to the CWI Foundation be transferred to our account. We have accounts established at area elevators, and will contact the elevator to verify the transfer.

## We're neighbors and friends, and we need each other

From our family to yours, we wish you a warm and wonderful holiday season, and **thank you for caring and sharing!** If you would like more information on other Crossroads of Western Iowa Foundation contribution options, please contact Brent Dillinger at (712) 642-4114. Thank you.
